OUR STORY

For Such a Time As This
—Esther 4:14

IT ALL BEGAN IN 2002 with God placing a desire in my heart to connect with other women in media. I contacted several women I knew in television, we prayed together and asked God for His leadership in beginning this association. The response and collective vision was overwhelming, as I saw they, too, had the same desire God had given me.

Through much prayer, stepping out in faith and trusting God for finances, Women in Christian Media (WCM) was born, and we quickly began to grow and gain members. Qualified women stepped forward to take on leadership roles, creating our Advisory Board. We started with the development of an annual reception on a national level, followed by quarterly dinner events on the regional level. Our inaugural WCM National Conference convened in 2005, followed a year later by our first WCM Regional Connection in the Southwest.

Women in Christian Media became Christian Women in Media Association (CWIMA), and today we are established in six regions across the country: Southwest/Dallas, Southeast/Nashville, Northeast/ New York, Midwest/ Minneapolis, Gulf Coast/Baton Rouge, and West Coast/ Hollywood along with Local Networks. The Annual Global Media Summit convenes in Dallas, TX, and we are represented worldwide in 26 nations.

Today, Christian Women in Media Association is one of the fastest growing organizations in the country, with an extensive online platform garnering global attention. Advancing Christian women who influence our culture through media, we are known by our love for each other and our love for Christ. I hope you will join us!
