

**Jesus In Between**  
**By Lisa Burkhardt Worley**

*“For we do not have a high priest who is unable to empathize with our weaknesses, but we have one who has been tempted in every way, just as we are—yet he did not sin.”*

(Hebrews 4:15)

In what ways can waiting make you more like Jesus? How does God use the "in between" times to shape us? Then it occurred to me. *Jesus' life was all about waiting.* But it was even more difficult, because he *knew* what he was going to face. Persecution. Mockery. A painful death on the cross. Scripture reveals in John 7 that he was aware of what was ahead:

“After this, Jesus went around in Galilee. He did not want to go about in Judea because the Jewish leaders there were looking for a way to kill him. But when the Jewish Festival of Tabernacles was near, Jesus’ brothers said to him, ‘Leave Galilee and go to Judea, so that your disciples there may see the works you do. No one who wants to become a public figure acts in secret. Since you are doing these things, show yourself to the world.’ For even his own brothers did not believe in him. Therefore Jesus told them, ‘My time is not yet here; for you any time will do’” (John 7:1-6, NIV).

"My time is not yet here..." Jesus was waiting. It wasn't time for him to die but he knew it was coming. He knew the feeling. *He waited before us.*

So back to the initial question. "In what ways can waiting make us more like Jesus?" Jesus waited from birth. He did not let his waiting period paralyze him in any way. He continued to do ministry; he healed the sick, loved the unloved and taught about the kingdom of God. For Jesus, waiting did not mean to come to a total halt. He didn't worry about what was ahead in the future and sit around complaining that nothing was happening. Waiting meant to carry on until his Father said, "It's your time now."

We need to do the same. While in the waiting period, it is important to continue to live out our callings. “Waiting” does not equal “stop.” It means to stay closely connected to the Lord so we’ll be able to hear God when he says it's time to change my direction. Being like Jesus in the wait means to do ministry like Jesus did and handle the in between

with dignity.

Are you waiting? How are you handling it?

Did Jesus ever struggle with the wait?

Prior to his arrest, Jesus prayed on the Mount of Olives and the Word says he was in so much anguish his sweat “was like drops of blood falling to the ground.” According to medical authorities, under conditions of great emotional stress, tiny capillaries in the sweat glands can rupture, mixing blood with perspiration. Jesus knew his wait was almost over and it was stressful.

But when God said to his Son, "It's your time now" he went peaceably. When your wait is over, the direction God calls you may not be exactly what you imagined. Will you fight it?

As in Jesus' life, the wait is part of the preparation for what is ahead. If nothing is happening, it's important to keep putting one foot in front of the other. Continue to trust God when he is silent because the wait simply means *it's not your time yet*. It's comforting to know that Jesus understands.
