

MEMBERSHIP HAS ITS PRIVILEGES

Membership to Christian Women in Media Association (CWIMA) is open to all Christian women actively working in media. It is our desire to provide Christian mentorship as we connect women in purpose and vision. Media is not limited to television and radio. It includes all forms of mass communication, Social Media, Television, Print Media, Publishing, Radio, Film, Digital Content, Music, The Arts and Entertainment. If you are the host of a program or a producer; if you write books or publish them; if you are an actor, a film producer or screenwriter, you are invited to join!

Christian Women in Media is dedicated to providing you with resources, networking, education, publications and access to some of the most dynamic media professionals. We have four membership plans as outlined below: (1) President's Club Premium Gold; (2) President's Club Premium Silver; (3) Bronze; and (4) Student.

Annual Membership Renewal

Before each renewal, you will receive an email reminder one month before the start of each new term. This will replace filling your mailbox with renewal offers. You can upgrade your membership at any time. We appreciate your membership in Christian Women in Media Association and the platform you provide to influence our culture through media.

CWIMA Bronze Membership Benefits – \$15 Monthly Donation

Communications Students qualify for the Student Membership rate of \$35/year donation. Must be 25 years old or younger. Student ID required @ events.
